The offender has been honest about his drug usage and acknowledged he has been using marijuana as a way of self-medicating to cope with the death of his parents. He has been advised that if he complies with treatment, no adverse action will be taken against him.

The offender also has a pending criminal matter pending in state court which Your Honor was notified about on September 21, 2020. At this time, it is respectfully recommended no action be taken to allow the offender time to participate in treatment and for the criminal matter to be resolved.
